

# Information from the waste management of Kaiserslautern County

## The hazardous waste truck

The hazardous waste truck comes in each community. The dates you will find in the Gargabe Guide App or on the website of the county administration under „Schedule“.

### Please note the following delivery and hygiene rules:

- Wear a protective mask
- Follow the instructions of the staff
- Keep a distance of 2 meters from other people and the ZAK staff
- When it is your turn, please give a brief description of your hazardous waste
- Then put your hazardous waste in the delivery box provided
- The ZAK employee brings the hazardous waste into the truck and then returns the box to the handover point for the next deliverer

**For the hazardous waste drop-off point by ZAK Kapiteltal, you must make an appointment. You can register it via: <https://wsh.zak-kl.de> or by phone: 0631 / 34 11 7- 0.**
